

# EMERGENCY MEDICAL CONSULTANTS INC.

*Florida's Premier Provider Of Quality Medical Training Programs*

Nationally Accredited and OSHA Programs

CEU Provider

Since 1988

## Phlebotomy Requirements

1. Attendance at all classes is expected and mandatory. Should you miss a class, you are expected to catch up by the next class date. Should you miss more than one class, we will be forced to drop you from the program and you will forfeit your registration fee(s) per our cancellation policy.
2. This course is not recommended for someone who suffers from a fear of blood or needles.
3. This class is offered in English.
4. For approximately every hour of class time, plan on spending at least that much time studying at home.
5. You must be able to see and feel veins in order to be successful in the course.
6. "Live" sticks performed in class will be performed on each other. During lab day you may be required to bring volunteers to perform "live" sticks on if you have not met the required minimum.
7. You must perform a minimum of 30 successful venipunctures and 10 skin punctures during the course.
8. Due to the costs associated with this program and the small class size we keep, we are unable to offer any refunds for any reason once the student is registered and paid.

By signing this document, I understand and agree to the terms and conditions stated above.
