

## Phlebotomy Requirements

1. This class is offered in English.
2. Due to the costs associated with this program and the small class size we keep, we are unable to offer any refunds for students who do not complete the program.
3. You must perform a minimum of 30 successful venipunctures and 10 skin punctures.
4. You must be able to see and feel veins in order to be successful in the course.
5. "Live" sticks performed in class will be performed on each other. During lab day you will be required to bring a volunteer to perform "live" sticks on.
6. This course is not recommended for someone who suffers from a fear of blood or needles.
7. For approximately every hour of class time, plan on spending the same amount of class time to be spent studying at home.
8. Attendance is expected and mandatory. Should you miss a class, you are expected to catch up by the next class date. Should you miss more than one class, you may be dropped from the program and forfeit your registrations fee.

By signing this document, I agree to the terms and conditions stated above.
